

Engage

We will start our topic of 'Tribal Tales' by looking at a range of artefacts and photographs from the past. We will use these pieces of evidence to find out about life in the Stone Age, coming up with our own questions to answer.

When was the Stone Age?
Where did people live then?
How do we know about the Stone Age?
How is it different to life today?

Year 3 – Spring 2

Topic: Tribal Tales

We will compare different roundhouses and talk about the material that we think is the best. We will revisit the 'score and slip' method from Year 2 and use this knowledge to make our own roundhouse. We will talk about what we can add to it and then evaluate them!

Express

The children will learn about:

English:

- Non-Chronological Reports (independent write)
- Take One Book – The Diary of a Killer Cat
- Poetry – Haiku, Tanka and Kennings

Maths:

- White Rose – Money (continued)
- White Rose – Fractions

History:

- Hunter Gatherers
- Stonehenge
- Stone Age, Bronze Age and Iron Age
- Weapons, Warriors and Tribes
- Comparing Life Across a Timeline

Art and Design:

- Cave Paintings
- Exploring Clay to Make a Roundhouse

Other areas of learning:

RE: Why do Christians call the day Jesus dies 'Good Friday?' (Salvation)

Music: Charanga – The Dragon Song (Xylophones and Metallophones)

PSHE: Jigsaw – Healthy Me

PE:

- Hockey (Outdoors)
- Yoga (Indoors)

Computing:

- Rising Stars – We Are Vloggers (linked to Topic)
