Topic Project Homework

Your topic homework for this half term is set out below. Please choose at least 3 of these to complete during this time. Remember these could be published and displayed so it needs to be your best work and be proud of what you have completed.
BE CREATIVE! If you would like to complete something different that is not listed, we would love to celebrate these original efforts too.

Task 1

In Mexico, the most common language is Spanish. Can you find out how to say some phrases in Spanish. Then come and teach the class what you have learnt. Make a Spanish to English Translation Booklet.

Task 2

Can you write a list of foods that are imported from Mexico? How do they grow? You could draw these foods and label them.

Task 3

Plan a trip to Mexico. Look at how much it would cost. How would you travel? How long does it take? What is the time difference? What is the currency? Plan an itinerary of what to do when you visit? What do tourists do there?

Task 4

Mexicans really enjoy music during their celebrations. Try making a musical instrument, simple drums, guitars, and shakers from everyday household objects, like plastic bottles, elastic bands and rice.

Task 5

Hold your own Mexican Fiesta at home. Play some music, decorate the party space and cook a Mexican feast (ask your adults to help you with this). Don't forget to take some photos and email them to the class email.
