

What will my child learn in music at Balliol?

National Curriculum

The National Curriculum for music aims to ensure that all pupils:

- Can perform, listen to, review and evaluate music across a range of historical periods, genres, styles and traditions, including the works of great composers and musicians.
- Can learn to sing and to use their voices, to create and compose music on their own and with others, have the opportunity to learn a musical instrument, use technology appropriately and have the opportunity to progress to the next level of musical excellence.
- Can understand and explore how music is created, produced and communicated, including through the inter-related dimensions: pitch, duration, dynamics, tempo, timbre, texture, structure and appropriate musical notations.
