

Engage

Potion: a potion, a mixture, an aromatic brew, a vapour, a liquid or sticky goo.

Welcome to the amazing magical world of potions and their properties...

Now Scientists, beware! There are some powerful and deadly potions out there -dangerous, unpredictable or just plain tragic!

Potions

Children will have the opportunity to share all their hard work with other year groups and parents/careers.

Children will take part in a Potions Quiz and designing their own potions.

Express

Innovate

Professor Hazard has left Potions Class in a hurry, forgetting to lock his cabinet of ingredients! Wow! He has so many mysterious and intriguing potions. But what a mess! All mixed up and none of them labelled...

Children will have the opportunity to apply skills learnt in the Develop stage.

Children will learn about:
