

# Engage

This term we will be looking at lots of different plants and thinking about what they need to grow and how we can use our senses to describe the world around us! I wonder, can you name any of the flowers on this page?

## Year 2 – Spring 2

# The Scented Garden

Children are going to look at a range of different flowers this half term. Thinking about all the colours they can see and what it reminds them of! We will then press flowers leaving them in a warm place and once done, create our own colourful collages!

# Express

### The children will learn about:

#### English:

- Bloom by Anne Booth – Description and Acrostic Poems
- The Secret Sky Garden by Linda Sarah – Creative Writing
- Poems Aloud by Joseph Coelho – Performing Floral Shape Poems
