Year 3 – Autumn 2

Mighty Metals

Engage

What do we know about metal?
Was it always used and what is it used for?
Are there different types of metal?

Develop

The children will learn about:

English:

- We will be reading 'The Iron Man' by Ted Hughes and doing lots of work around the story including news reports and story writing.
- We will be learning about different types of poetry and poetic devices.

Maths:

*Addition and subtraction
* Multiplication and division

Science:

* Forces and magnets

Looking at forces and friction and magnetic materials and investigating how magnets attract and repel.

Art & DT:

* Using paints and charcoal to create pictures and models of the Iron Man.

* Working in the style of the artist Kazimir Malevich.

Other areas of learning:

RE:How do festivals and family life show what matters to Jewish people.

Music: percussion

PSHE:

- *Remembrance Day
- *Celebrating Difference

PE:

- Ball Skills & Dance

Computing: We are bug fixers.

Express

We will be creating our own models of The Iron Man
