

Engage

What is the circulatory system?

What do you know about your circulatory system?

Year 6 - Spring 1 Blood Heart

The children will consider what they have learned and use it to support their work in English.

They will have opportunities to follow their interests and decide how they would like to present what they learn in other areas.

Express

The children will learn about:

English:

- * Books – Skellig & class choice
- * Narratives, Poetry and Explanations..

Science:

- * The circulatory system.
- * Our heart and our blood.
- * The effects of diet, exercise and drugs on our bodies.
- * How nutrients and water are transported within animals including humans.
- * Investigations: Making blood, investigating blood flow, pulse rate investigation and heart dissection.

Art & DT:

- * Healthy recipes
- * Practical food activities

Other areas of learning:

Maths:

- Number – Fractions, Decimals and Percentages Algebra
- Daily Maths starters will cover areas we have already done, as well as helping children to maintain their confidence with their arithmetic skills.

RE & PSHE:

- * Values: What matters most to Humanists and Christians?
- * Dreams and Goals.

MFL: French, taught by Madame Kahler.

PE:

- * Cross country and gymnastics.

Music:

- * Samba – taught by 'Music for Bedford Borough'
