

Engage

This summer we are going to become explorers and look for a variety of minibeasts. We will look at their habitats and think about what animals need to survive. We will also use tally charts to record the different insects we find whilst using magnifying glasses to observe them closely.

Year 2 – Summer 1 Wriggle and Crawl

We are going to make our own page for a moving minibeast book. We are going to spend some time in our DT lessons exploring different moving mechanisms and then we will design and create our background and the minibeast we would like to move.

Express

The children will learn about:

English:

- Minibeast Fact Books – Writing a Fact File
- How the Ladybird Got Her Spots by Melissa Webb – Writing a Creative Myth
- Reading Comprehensions
- Michael Rosen's Book of Very Silly Poems by Michael Rosen – Performing, Reciting and Commenting On Poems
- Take One Book – Amazing Grace by Mary Hoffman

Science:

- Tree Shaking and Microhabitats/Minibeast Hunt
- Survival
- Food Chains
- Life Cycles
- Camouflage and Warning Colours

Geography:

- Sketch Maps

DT – Design and Technology:

- Making a Moving Minibeast Book (Mechanisms)

Other areas of learning:

Maths:

- Statistics
- Measurement: Time
- Measurement: Length and Height

RE:

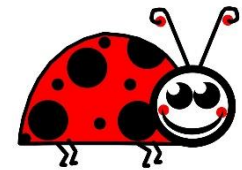

- Who is a Muslim?
- What do they believe and how do they live?

PSHE:

- Jigsaw – Relationships

PE: Striking and Fielding / Target Games

Develop

Computing:

We Are Zoologists

Music:

Friendship song (Recorders)
