

Engage

This term we will be looking at home, bones and groans. We will look at how animals and humans survive.

Can you identify any parts of the human or animal's skeleton?

Year 3 – Summer 1

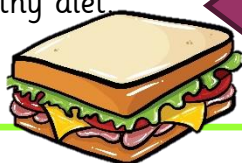

Topic: Home, Bones and Groans

Children will be looking at different foods around the world and the different climate zones they are in.

We will be tasting arrange of breads and fillings in preparation to design, make and evaluate our own sandwich. We will be thinking about nutrition and how to have a balanced and healthy diet.
