

# Engage

A letter has arrived from Sir William the Brave! He needs us to find out about castles for him.

Who is he?

## Year 2 – Autumn 1 Castles

Using everything we have learnt about castles and properties of materials, we will investigate how the weight of a projectile thrown at a castle wall, affects the damage done.

# Express

### The children will learn about:

#### English:

\* Anthony Browne (Silly Billy, The Tunnel, Willy the Dreamer, Piggybook and Through the Magic Mirror)

#### Science:

\* Materials (properties and suitability)
