

Engage

Lost Cities

Travel back in time and visit the ancient wonder of Chichén Itzá (a virtual reality experience).

Children will learn about:

English:

- ◆ Fiction—Charlie and the Chocolate Factory
- ◆ Poetry—Read, write and perform free verse poetry
- ◆ Non-Fiction—Explanation texts

Art:

- ◆ Learning about great artists and designers from different times and cultures
- ◆ Waving inspired by traditional Maya patterns

History:

- ◆ An in depth study that provides contrast to British history—the Maya Civilization!

Other areas taught discreetly:

Maths:

- ◆ Measurement—Length and Perimeter
- ◆ Number—Multiplication and Division linked to times tables

Science: Sound—How sounds are made and heard, volume, pitch, sound proofing and investigation skills

Computing: 'We Are Toy Designers'

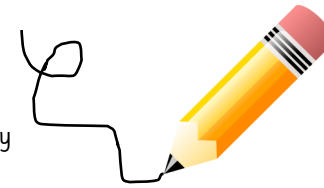

RE: How is faith expressed in Hindu communities and traditions?

PSHE: 'Celebrating Difference' appearances, understanding influences, understanding bullying, problem solving, special me

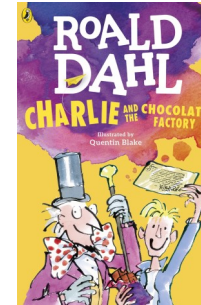

PE: Ball handling skills (football) and gymnastics

French: Weather, clothing and Nativity

Music: Ukulele

Develop

Lost Cities

Children will have the opportunity to apply all the key skills and knowledge they have learn during this topic.

Express

Innovate

CHOCOLATE!

The Maya Civilization are famous for inventing hot chocolate and even used cacao beans instead of money! Enjoy finding out about the history of chocolate, fair trade today and of course sampling your very own mug of hot chocolate!
