

# Engage

## Independent Research –

Find out all about France and present your research in a style of your choice!

## Year 5 – Spring 2

### Global Explorers (France)

After finding out about the country through research, we will delve more deeply into key moments in French history, for example, The French Revolution and Bastille Day. We will look more closely at French regions and the different climates. We will compare and contrast the lifestyles and culture of France and the UK. We will explore French Art with a particular focus on Monet and Impressionism.

We will finish with taste-testing of classic French foods and having a go at making our own!

# Express

## The children will learn :

### English:

- Non-Fiction – Explanation text through a creative medium
- Class book – A Chase in Time (by Sally Nicholls)
