

# Engage

As you are aware the children have participated in a 'messy mixtures morning'. This allows the children to engage with their senses and to have fun!

## Year 2 – Autumn 2

### Muck, Mess and Mixtures!

To complete this term the children will be completing a scientific experiment to identify the shape of a bubble. They will be creating their own bubble wands to see if they make different shaped bubbles.

# Express

### The children will learn about:

#### English:

- Traction man
- The day the crayons quit
- Poetry.

#### Science:

- What is mud?
- Can bubbles be different shapes?
- Exploration of different amounts of water and mixing different things with water
- What soap product produces the best bubbles?
- Creating my own playdough

#### Geography:

- What countries do the fruits that we eat come from?
- What are continents? What are the seas around our world called?

#### Art & DT:

- Marbling and bubbling prints
- Carl Warner
- I can use ice cubes to make art
- Mixing colours
- Kandinsky's Circles.

#### Other areas of learning:

##### Maths:

- Addition and subtraction
- Money
- Multiplication and division.

##### RE:

- What makes an inspiring leader.

##### PSHE:

- Celebrating differences

##### PE:

- Multiskills- bat and ball
- Yoga

##### Computing:

- We are game testers!

# Develop

##### Music:

\* Ho! Ho! Ho!
