
Friday Update

Another great week here at Balliol! The children have taken a great deal of time this week to consider others, how we treat each other, the great things that people do for us and the importance of respect.

EYFS Nativity – Snuggle up Stable

Our Christmas performance is very fast approaching and will be held in the school hall on Thursday 11th December at 9.15am and 2pm. The children have been rehearsing and learning new songs. All children in Daisy, Poppy and Buttercup Class will take part in both performances. Please look out for a form to apply for tickets which will come out by email.

Last week was Anti-Bullying week this year and the focus has been 'Power for good. The children have been very thoughtful in sharing their ideas and understanding differences and the importance of respect. We focused on empowering our young people to use their Power for Good to safely speak up and raise awareness when they see bullying, face to face or online.

Maths week

The children have been working hard and also enjoying the different maths activities, especially in our maths morning. We have been very impressed with some of the problem solving skills as well as the children's multiplication (TTrockstars) skills!

Packed Lunches

Please ensure that there are no nut products in packed lunches, this includes nut spreads in sandwiches. We have several children in school with nut allergies and this can be very dangerous for them.

If you have any questions or queries, please email the school office office@balliolschool.co.uk or call on 01234 300601
