
Friday Update

Firstly, a huge thank you to everyone for their offers of help and support when we had a medical emergency on the playground during the drop off time this morning. We would like to reassure you that the young person who was unwell got the medical attention that they needed and is now at home with their family.

Can you help? Are you having a January clear out?

Following the setup of our new playground zones, we are always on the lookout for various donations and wondered if anyone is able to help. If you or anyone you know is having a clear out or looking to rehome any of the following we would be glad to take them off your hands.

Donations of..

- * Fancy dress clothes, bags
- * Small play (dolls, vehicles, etc)
- * Construction
- * Sand toys
- * Old tyres
- * Role play items (shops, vets etc)
- * Garden play equipment/kitchen/play house/
- * Ball

'Help Your Child Love Maths!' workshop - Tuesday 20th January at 9am

As part of a project that we are involved in with the National Numeracy charity, we will be holding a workshop for **parents/carers of Reception, Y1 and Y2 aged children** on Tuesday 20th January at 9am.

The workshop aims to foster more positive attitudes towards maths, whilst also looking at how parents and carers can support their children in this area of their learning. The workshop is not a maths lesson: in fact, there is no maths involved!

Further details can be found by clicking the following link, where you can also sign up for the workshop:

[Help Your Child Love Maths Workshop - Tuesday 20th January 2026 – Fill in form](#)

We hope as many of you as possible are able to join us for this important workshop.

If you have any questions or queries, please email the school office office@balliolschool.co.uk or call on 01234 300601
