
Friday Update

What a great week! It has been a very positive week for all children at Balliol and we are all very proud of how they have come in and been ready to work hard and be the best that they can be in all areas of their learning.

Free School Meals

For many children and families circumstances may have changed in the New Year. If you believe you may be entitled to Free School meals, please apply through Bedford Borough Council- [Apply for free school meals - Contact Information - Section 1 - Bedford Borough Council \(achieveservice.com\)](#)

Communication

If you need to speak to a class teacher, please use class emails to do this, all classes have the same format using the class name at the beginning, for example: classname@balliolschool.co.uk

The beginning and end of the school day can be very busy and it is not always possible to speak to class teachers at these points. You are also able to call the school office and leave a message and the class teacher will return your call.

Reading

Children all have reading books to bring home, it is important that you make time to read with your child on a regular basis and talk about their school book, or any other books that you have shared together. We love hearing about new books and those that they have particularly enjoyed.

Water bottles

All children should have a water bottle in school every day, please make sure that they bring this in with them so that they have access to fresh water throughout the day.

School Governors

Are you interested in becoming a school governor? We are looking for parents or members of the community to join our governing team. If you are interested or would like to find out more, please email the school office.

If you have any questions or queries, please email the school office office@balliolschool.co.uk
