Friday Update

Have you visited our website? Have a look at the different areas and find out what your children will learn throughout their time at Balliol.

Harvest Collection

This is a time to think about the food that we have, and collect food for those in need in our local community.

We are asking the children to bring in any donations of **dried and tinned foods including breakfast cereals or toiletries such as toilet roll, shower gel and nappies** all of which we will collect and distribute.

All donations will go to Bedford Foodbank who we know are providing many families with the essential food and toiletries that they need in these difficult financial times.

We are also collecting on behalf of a local charity group that puts together Christmas Hampers for families in need – for this we are collecting **crisps**. If you are able to donate these, that would be great too.

The children can bring these donations to the classrooms in the morning next week and we will collect these together for donation to the charities.

We know that last year this was very much appreciated and contributed to many families across the community.

Parking

We have had concerns raised by local residents about people parking across driveways and dropped curbs.

Please ensure that you park responsibly and with safety in mind.

We have many families that have push chairs and who use mobility scooters and they require the dropped curbs for safe crossing.

School Photos

The individual photographs will take place on Wednesday the 21stth October. All children will need to be in school uniform.

Thank you to those that have signed up for the sibling photos, these will also take place on Wednesday.

If you have any questions or queries, please email the school office office@balliolschool.co.uk or call on 01234 300601
