## *Friday Update*

---

Another super week at Balliol! All of the children are a little tired but persevering and continuing to build their stamina for learning.

It has been an exciting week with a group of Year 1 children taking part in a sports trip, Year 5 visiting Kempston Academy to watch their production, a planetarium in the school hall for Year 1 and Year 5 to visit to support their learning, many children using their pedal power to get to school and a lamb visiting years two and three.

Parking – we have had some concerns raised by local residents about inconsiderate parking and parking on double yellow lines, please ensure that you park considerately when dropping off and collecting your children.

Walk and Wheel week has been really successful the children have really enjoyed taking part and I am sure will continue to come to school on scooters and bikes next week.
