
Friday Update

Another successful week at Balliol, Year 4 enjoyed their sports trip and Year 3 enjoyed their visit to Bedford Corn Exchange to see the Philharmonia Orchestra. All were super well behaved and credit to you all.

Walk and Wheel

We are on week two of Big Walk and Wheel the UK's largest inter-school cycling, walking, wheeling and scooting challenge. It's free and we would love everyone to be involved.

Encourage your child(ren) to walk, use a wheelchair, scoot or cycle to school on as many days as possible next week. Not only does this help to keep us fit but helps the environment and could win the school (and the classes) some amazing prizes!

Street Tag

Have you see our banner outside school? We were officially crowned Street Tag champions last term and the children were presented with the banner in assembly this week– all down to the amount of steps that you all covered!

You have all been walking well again this term and below is some information ready for tagging over the next couple of weeks:

Street Tag

- A reminder from the class teachers – please ensure that children remove all jewellery, especially on days when they have PE. Hoop earrings should not be worn in school.
- School shoes. Please ensure that your children have appropriate school shoes which should be black in colour. If you have any difficulties with this or require support, please let us know and we will try and help.
- Parents – as the mornings are getting brighter and a little warmer, if you are allowing your children to walk to school please remind them that they need to ensure they are safe, particularly if they visit the park at the beginning and end of the day. We have had some concerns raised about children climbing the fences in the basket-ball area.
