## *Friday Update*

---

It is the end of another half term and time for a break. Thank you to all of the families that have been so supportive this term. We hope you have a break over Half Term and get to spend some quality time together.

We return to school on Monday 26th February.

### School Lunches

Our lunch menu is available on the school website [Lunch Menus | Balliol Primary School \(balliolschool.co.uk\)](#)

If you pay for school lunches, please ensure that your school account is topped up at the beginning of the school term.

### Coming into school in the morning

We have had some issues raised by parents about children coming in through the gates in the morning. We have spoken to all of the Year 5 and 6 children and reminded them that they have to take care and follow the line like everyone else. If you have a concern, please raise it with a member of staff at the gate.

We would also appreciate it if you could also have a conversation with your children and remind them that we need to take care as there are so many people coming onto the school grounds and we do not want anyone being hurt.

### Bikes and Scooters

We are really pleased with how many children are coming into school on bikes and scooters, we would like to remind all children and parents that the scooters and bikes should be walked to the bike shed and not ridden on the playground.

### E-Safety

Our E-Safety Newsletter was sent out last this week and is available in the Newsletters section of the school website. [february-2024.pdf \(primarysite-prod-sorted.s3.amazonaws.com\)](#)

Please have a look as it contains important information about helping your children to keep safe online.

### Parent Consultations

We will be holding Parent Consultations in the week beginning 4th March – look out for a letter confirming dates and how to book a meeting with your child's teacher.

If you have any questions or queries, please email the school office [office@balliolschool.co.uk](mailto:office@balliolschool.co.uk) or call on 01234 300601
