
Friday Update

It has been another successful week here at Balliol, thank you to all of you for your support and the work that you are doing to support your children at home.

Road Safety

It has been brought to our attention that some children are not taking care crossing roads and driveways on their way home from school. We have spoken in school about this and would appreciate if you would also speak to your child to ensure that they are keeping themselves safe.

Y6 SATs Meeting

Just a reminder that we will be holding our Y6 SATs meetings on Thursday 1st February at 3.45 or 5.45 in Hawk Class.

The meeting will provide you with all of the information you need, as well as some useful tips on how to support your child at home before and during SATs week. We are running the meeting twice so that as many Year 6 parents and carers can attend as possible. We look forward to seeing you there.

Curriculum

Have you had a look at what the children are learning this term? All of our learning plans and curriculum overviews are available in the curriculum area of the school website. [Curriculum | Balliol Primary School \(balliolschool.co.uk\)](https://www.balliolschool.co.uk)

If you have any questions, please email the class teachers or the school office.

Bus Use Survey

We have been asked by Bedford Borough Council to share this Bus Use Survey with you.

Whether or not you use buses, they would like know what you think about bus services in Bedford Borough. This will help shape plans for bus services in the future.
