
Friday Update

A huge thank you to the parents and families that joined us this yesterday for our Nativity Plays. We are, as always, incredibly proud of the children and know how much it means to them when they are able to share their performances with you.

Christmas Cards

The children are very welcome to continue to bring Christmas cards in on Monday to the post box in school. These will then be sorted by our very helpful Year 5 elves and delivered to the correct classrooms.

A New Learning Resource

This week we have had an exciting new addition to the school with the installation of our very own orienteering courses - one in the main school area and one in our Y1/EYFS area. This will form an integral part of our PE curriculum and will also support wider learning across the curriculum.

On Monday and Tuesday the children have been set an exciting Christmas orienteering challenge using our new course. As some of our course is based on the fields we have asked the children (years 2-6) to bring in wellies or old shoes that they can change into whilst taking part.

A reminder to parents the end of term will be Tuesday 19th December.

The new school term will begin on Thursday 4th January for the children.

If you have any questions or queries, please email the school office office@balliolschool.co.uk or call on 01234 300601
