Anti-Bullying:

It has been Anti-Bullying week this week and the focus has been ‘Make a Noise about Bullying’. Please find below some links below from Internet Matters that support this theme. If you would like any advice around E-Safety, please contact the school office or have a look at the information on our website.

Packed Lunches

If your child is having a packed lunch, it should be in school at the beginning of the school day. We appreciate that there are times when a lunch is forgotten or has to be dropped in late but these should be isolated occasions.

We have had several cases of lunches not being dropped off or dropped off late and the school kitchen is not always able to provide a school lunch in this situation as they prepare to order.

Please ensure that there are no nut products in packed lunches, this includes nut spreads in sandwiches. We have several children in school with nut allergies and this can be very dangerous for them.

If you have any questions or queries, please email the school office office@balliolschool.co.uk or call on 01234 300601
