
Friday Update

Welcome back to what is going to be another busy half term.

Friday 3rd November

Have fun but please keep yourselves safe over the weekend and particularly if attending any Firework Events.

Tommy 10k

Mrs Ganson completed her 10k ride for the Royal British Legion this morning, thank you to those families that donated to this charity. She raised £52.32 to add to the amount that she has already raised through her just giving page.

Parent Consultations

This week and next, you will have contact from class teachers regarding Parent Consultations which will take place in the week beginning the 13th November. We will this year as in previous years be running both in person and online appointments, depending on which you would prefer. Please sign up with the class teacher on the gate/door in the morning/evening or email the class email to arrange an appointment.

School Governor

Are you interested in becoming a school governor?

We have a very supportive team on the governing body and are looking for people to join our team who can further support us moving forward to continue to make a difference in the lives of the young people in our community. We are looking for someone who is committed, enthusiastic and willing to challenge and question.

If you would like more information about what the role involves, please contact the school office using the email below.

If you have any questions or queries, please email the school office office@balliolschool.co.uk or call on 01234 300601

Have a lovely weekend, and we look forward to seeing everyone on Monday morning.
